Dear Friends and Colleagues,

If you are reading this, you are finally here. You have felt the breeze of the Mediterranean Sea on your face, inhaled the clean, crisp air of Sorrento and enjoyed the magnificent view of the coast. Generations of travelers have been captivated and inspired by the same sensations. We chose Sorrento to allow you to clear your minds and prepare them for a few great days of education and networking.

The topic of our 32nd EAED Spring Meeting is Strategies in Treatment Planning: Efficiency vs Reliability and we will take an in-depth look at the strategies which should be taken into consideration and, eventually, implemented to reach the best and most reliable esthetic outcome for our patients. This year, for the first time, we are also introducing the Willi Geller Honorary lecture, in honor of Willi Geller’s achievements in the fields of Dental Technology and Esthetic Dentistry. Finally, you will once again have the opportunity to vote on your esthetic favorites in the 2nd EAED Photo Contest.

But as you know, the EAED does not stand only for excellent education. We are also offering excellent ways of bonding and sharing with old and new friends, colleagues and members of the extended EAED family. As always, the social program has been designed with this goal in mind, while showing you the best Sorrento has to offer.

Let yourself be infused with the special energy of this place, its hospitality, vistas, culture and cuisine.

We thank everybody involved in the organization of this event. Special thanks go to our Partners and Exhibitors, many of which have been supporting the EAED for numerous years. We encourage you to visit them in the exhibition area and engage directly with some of the people who play a fundamental part in making high-quality meetings like this one a reality.

Stefano Gracis
EAED President

Salvatore D’Amato
Local Chairman
Welcome to Sorrento – enjoy the meeting!

11:20 – 11:35 2nd EAED Photo Contest: Award Ceremony

The Peter Schärer Honorary Treatment Planning Session
Moderator: Prof. Nitzan BICHACHO (IL)

11:35 – 13:05 Dr. Arturo IMBELLONI (IT) Clinical Case I
Dr. Koray FERAN (UK) Clinical Case II

Closing Ceremony

13:05 – 13:15 Dr. Stefano GRACIS (IT)
Dr. Salvatore D’AMATO (IT)
Prof. Markus HÜRZELER (DE)

General Assembly Luncheon

13:20 – 15:00 Sala “Le Ginestre”, Hilton Sorrento Palace
Open to Active, Life and Honorary Members and to EAED Affiliates
A Committee has selected the best images to post in the congress venue. These images will be judged by all participants during the congress through online voting. The 3 best pictures will receive recognition at the congress, and they will be published in future issues of the *International Journal of Esthetic Dentistry*. Details on the voting process will be announced during the meeting.
General Information

Coffee & Lunch Breaks
Coffee will be available at catering stations in the Partners & Exhibition area, during the official break times scheduled in the scientific program. Lunch on Friday, May 25th, 2017, 13:00 – 14:30 will also be provided in the Partners & Exhibition area.

General Assembly
The General Assembly will take place on Saturday, May 26th, 2018, 13.20 – 15.00 in the Sala “Le Ginestre” at Hilton Sorrento Palace. Lunch will be provided. The General Assembly is open to all Honorary, Life and Active Members as well as EAED Affiliates.

Mobile phone and tablet recharging
Fresh juice for your phone or tablet: Battery packs for recharging your mobile device are available at the registration desk.

Hilton Sorrento Palace
Via Sant’Antonio, 13,
80067 Sorrento NA, Italy

Nestled in the hillside overlooking the historic town center, Hilton Sorrento Palace is easily accessible from Naples International Airport, and a short walk from Sorrento Cathedral and Sorrento’s lovely beaches. Most guest rooms offer mountain or sea views; the bright, modern conference facilities ensure a secluded environment for our EAED delegates. The breezy resort atmosphere, with its magnificent pool, inspiring landscapes and the spectacular coastline, create the ideal environment to take full advantage of our stimulating scientific programme whilst enjoying relaxed networking with fellow delegates.

Airport transfers and taxis

The travel desk operated by Russo Agency in the lobby of Hilton Sorrento Palace will be happy to arrange transportation to the airport or a taxi for you.

You may also book your transfer online. More information at sorrento.eaed.org/venue/access

About Henry Schein, Inc.

Henry Schein, Inc. (Nasdaq: HSIC) is a solutions company for health care professionals powered by a network of people and technology. With more than 22,000 Team Schein Members serving more than 1 million customers globally, the Company is the world’s largest provider of Business, Clinical, and Technology solutions to enhance the efficiency of office-based dental, animal health, and medical practitioners. The Company also serves dental laboratories, government and institutional health care clinics, and other alternate care sites.

A Fortune 500® Company and a member of the S&P 500® and the Nasdaq 100® indexes, Henry Schein’s network of trusted advisors provides health care professionals with the valued solutions they need to improve operational success and clinical outcomes. The Company offers customers exclusive, innovative products and solutions, including practice management software, e-commerce solutions, specialty and surgical products, as well as a broad range of financial services. Henry Schein operates through a centralized and automated distribution network, with a selection of more than 120,000 branded products and Henry Schein private-brand products in stock, as well as more than 180,000 additional products available as special-order items.

Headquartered in Melville, N.Y., Henry Schein has operations or affiliates in 34 countries. The Company’s sales reached a record $12.5 billion in 2017, and have grown at a compound annual rate of approximately 15 percent since Henry Schein became a public company in 1995.

For more information, visit Henry Schein at www.henryschein.com, Facebook.com/HenrySchein, and @HenrySchein on Twitter.

**Gold Partner Workshop Henry Schein:** Friday, May 25th, 16:45 – 18:45, Nettuno 1

See page 6 for more information.
About Align Technology, B.V.

Align Technology is the leader in modern clear aligner orthodontics and 3D technology, that designs, manufactures and markets the Invisalign® system and the iTero Element® intraoral scanner. Invisalign clear aligners correct malocclusion for both adults and teenagers, using a series of nearly invisible and removable appliances that gently move teeth towards a desired final position, supported by dedicated innovations such as our patented SmartForce® features for more predictable tooth movement and our SmartTrack® aligner material for more accurate force and predictable outcomes. This investment in cutting edge systems and technology has resulted in over five million Invisalign patients being treated worldwide. But our commitment to helping our providers succeed goes beyond improving the Invisalign System. The iTero Element intraoral scanner helps modernize today’s practices by replacing physical impressions, taking treatment planning online, and creating the potential to enable and improve the clinical experience across almost every type of dental treatment offered. Visit www.aligntech.com, to find out how this technology can benefit your patients.

Gold Partner Workshop Align Technology: Friday, May 25th, 16:45 – 18:45, Nettuno 3
See page 6 for more information.
Nobel Biocare is a world leader in the field of innovative implant-based dental restorations – from single-tooth to fully edentulous indications. We offer:

- Dental implant systems
- Individualized prosthetics and CAD/CAM systems
- Treatment planning
- Guided surgery solutions
- Biomaterials

Our goal is to empower dental professionals to give quality of life back to their patients. This philosophy is built on over 60 years of continuous innovation, all stemming from Per-Ingvar Brånemark’s ground-breaking discovery of osseointegration in 1952. Since then, we’ve helped our customers treat millions of patients.

**Gold Partner Workshop Nobel Biocare:** Friday, May 25th, 16:45 – 18:45, **Nettuno 2**
See page 6 for more information.
Thommen Medical AG is a designer, manufacturer and supplier of implants and surgical instruments for tooth replacement. The Thommen Implant System is known for incredible precision and impactful design, meeting the demanding requirements of today’s clinicians. It is very easy to use, extremely precise and offers superb performance in implant treatment, creating the optimal environment for excellent clinical results. Due to the stability of the unique and precise implant-abutment connection, a variety of prosthetic solutions are available to meet restorative demands. The design of the connection also allows the use of a much narrower abutment screw, resulting in a thicker abutment wall with increased strength, more freedom for customization and a smaller occlusal opening for improved esthetics.

All components of the Thommen Implant System are based on this extraordinary implant-abutment connection, creating the conditions for stable and long-lasting solutions. Compatibility across prosthetic components is universal across all implant lines. Reconstructions manufactured with CAD/CAM abutments provide an additional opportunity for highly esthetic work. Further simplifying restoration is a minimal set of instruments and components, eliminating the confusion or trouble of having multiple setups.

Thommen Medical’s 30 year heritage affords the opportunity to work with leading international dental clinicians and renowned academic institutions. Not only do they support research and development, but also participate in various training activities. Thommen Medical Education stands for the highest quality education. We partner with master clinicians from all over the world to deliver content that can be transferred directly into the daily work of dentists.

Thommen Medical’s headquarters and private manufacturing facility is in Grenchen, Switzerland, a location that is the heart of Swiss precision manufacturing. The facility features what is possibly the highest vertical integration within the industry. This means unparalleled quality control with 100% oversight of the most important manufacturing details.

Thommen Medical is an international company with subsidiaries and distributors throughout the world.

**Gold Partner Workshop Thommen Medical:** Friday, May 25th, 16:45 – 18:45, Nettuno 4

See page 6 for more information.
3M is a global science company that never stops inventing. Using 46 technology platforms, our integrated team of scientists and researchers works with customers to create breakthroughs. Our inventions have improved daily life for hundreds of millions of people all over the world. With $30 billion in sales, our 90,000 employees connect with customers all around the world. Scientists, researchers and marketers work across countries and across subjects to solve challenges big and small.

At 3M Oral Care, we promote lifelong oral health by developing innovative dental and orthodontic solutions that help simplify your procedures and give you confidence in your work. With a history of leadership in the dental and orthodontic industries and a scientific approach to product development, we create the high quality, advanced products you need to keep your patients smiling. Named most innovative company in the dental industry worldwide for 10 consecutive years, 3M products offer dental professionals predictability and control for optimized patient outcomes.

It all started with the production of artificial ceramic teeth. Today, Ivoclar Vivadent is a global company offering a comprehensive range of innovative products and systems for dentists and dental technicians.

What began in Zurich in 1923 with the production of artificial teeth has evolved into a leading international dental company with a comprehensive product and system range for dentists and dental technicians. Headquartered in Schaan, Principality of Liechtenstein, Ivoclar Vivadent AG has been a privately owned company since its inception. Products are shipped from here to 120 countries worldwide. As a global player, Ivoclar Vivadent has its own subsidiaries and marketing offices in 25 countries and with about 3300 employees throughout the world.

The Ivoclar Vivadent values, strategies, products and services are based on three success factors: Passion – Vision – Innovation. They define our direction and shape the solutions we develop today for tomorrow’s dentistry.
Kuraray Medical Inc. is a Japanese chemical company operating in various sectors (polymer chemistry, chemical synthesis, and chemical engineering) and, from 1978, also in the dental sector. Noritake Dental Supply co. Ltd. is a Japanese company born as manufacturer of western-style dinnerware and now also involved into new businesses with a focus on ceramics technologies. In 2012, Kuraray Medical Inc. and Noritake Dental Supply co. Ltd. joined forces to become Kuraray Noritake Dental Inc. The company benefits from an exceptional know-how in organic and inorganic chemistry. With its combined expertise (Kuraray’s CLEARFIL SE BOND and PANAVIA gold standard technologies and Noritake ceramics), Kuraray Noritake Dental moves forward to develop further innovative dental products and technologies.

Lately, new products has been presented successfully to the dental market: KATANA zirconia multi-layered discs and CLEARFIL Universal Bond Quick, the new universal adhesive with immediate action.
Social Program

“An intuition...on which we started to build our life-long dream...with America in the eyes and hands in the Mediterranean.”

In business since 2003, they have performed in Italy’s best clubs, creating a real, passionate journey from R'n'B to more modern dance music. Performing songs by various artists like MJ, Beyonce, Bruno Mars, Rihanna, Coldplay and more. Creating an extremely dynamic show, LIVE of course!
That’s SPILLENZIA
Social Program

Gala Dinner | Hotel Parco dei Principi

The Hotel Parco dei Principi is a luxurious 5-star property located in the center of Sorrento. Designed by the renowned architect Gio Ponti, it opened its doors in 1962. Located amidst luscious gardens and boasting some of the best coastal views you can get in town, Parco dei Principi is an oasis that will let you forget time and place. World-class service and exquisite cuisine are two more ingredients that are sure to make the EAED Gala Dinner in Sorrento unforgettable.

Day & Date: Saturday, May 26th
Time: 19:00 Welcome Cocktail & Dinner
Venue: Hotel Parco dei Principi
       Via Bernardino Rota, 44 (Sorrento)
Transportation: Buses will leave from Hilton Sorrento Palace (in front of the congress center entrance) between 18:15 and 18:45. Please note that buses will stop outside of the hotel property – a wonderful short walk through the hotel park is going to surprise you.
Return shuttle buses: from 22:00 | last bus at 23:30. Please note that buses can only depart after minimum capacity per bus has been reached.
Dress code: Black tie
Who can attend: open to EAED Members and EAED Affiliates only
Networking Activity

**EAED 2018 Morning Run**

A morning run is the ultimate “feel good” way to start your day in Sorrento. Experience the sunrise and the Amalfi Coast waking up! This morning running tour is particularly suited to you, giving you a chance to experience the Sorrento Coast waking up in the early morning. The running route will start at the Hilton Sorrento Palace and guides us through the city and to the panorama of the sea. In case the climate conditions allow it, you can also take a bath in the sea during the morning run. All participants will receive a specially designed t-shirt.

**Day & Date:** Saturday, May 26th

**Time:** 06:30 – 07:30, meeting point 6:15 outside Hilton Sorrento Palace entrance

**Ticket:** EUR 20.00 per person incl. 22% VAT

**Included in the morning run ticket:**

- EAED 2018 running t-shirt and bag
- EAED 2018 bottle
- Path runner from the Sorrento Marathon Club
- Start & End: entrance of Hilton Sorrento Palace
- Distance: 6 km
- Duration: 60 min
- Running pace: 6.00 min/km

The trainers from the Sorrento Marathon Club will also be available on Friday, March 25th to accompany your morning run through Sorrento. Please send an email to eaed@mondial-congress.com or ask at the registration desk if you are interested in running on Friday as well.

Tickets available upon request. Please ask at the registration counter.
Excursion to Capri (half day)

Sail across the bay of Naples for an unforgettable day. For an island only about 4 miles long and 2 miles wide, Capri has had much said, sung and written about it. Following your arrival by boat, you will descend to chic Capri town with its shops, hotels and restaurants nestled along winding streets. The main square Piazza Umberto I boasts a pretty white church and several open-air cafes where you can sit in leisure and watch the world drift by. Leading off the square are medieval-looking alleyways and arcades full of shops selling the handicrafts of the island: clothing, jewellery made from coral and gold, shoes and ceramics. Admire the colourful gardens of Augustus overlooking the famed Faraglioni Rocks and Marina Piccola where British actress and singer Gracie Fields once lived. There will be some free time for you to go off and admire the elegant boutiques, stroll along the cobbled streets or simply relax on the beach. There is so much to see and do on this tiny island paradise that you will be sorry to leave.

Day & Date: Friday, May 25th
Time: 09:00 – 13:00
Ticket: EUR 94,50 per person, incl. transfer by boat, earphones, and 22% VAT
Meeting Point: Hilton Sorrento Palace, Lobby
Minimum number of participants: 15

Operated by:
Excursion to Herculaneum and Vesuvius Crater (full day)

Our journey takes us along the scenic coastal road through Castellammare di Stabia and out to UNESCO World Heritage Site Herculaneum.

We continue our excursion to Vesuvius National Park, which is characterized by its lush natural beauty and diverse animal species.

Among flows of solidified lava, brooms, rocks and eruption materials, the bus will take you all the way up to the 3,000 foot mark where those who wish will have the opportunity to walk up to the edge of the crater (1,000 feet – 40 minute walk – comfortable shoes are strongly recommended!)

An informal lunch in a typical farmhouse with delicious homemade local products is included.

**Day & Date:** Friday, May 25th  
**Time:** 09:00 – 17:00  
**Ticket:** EUR 108,50 per person, incl. transfer, earphones, lunch and 22% VAT  
**Meeting Point:** Hilton Sorrento Palace, Lobby  
**Minimum number of participants:** 15

**Operated by:**

Tickets available upon request (first come – first served). Please ask at the registration counter.
Excursion to Pompeii (half day)

Pompeii holds an intense fascination for visitors today. Following the eruption of Mount Vesuvius in the year 79 A.D., the city lay buried and forgotten for hundreds of years. The site now holds UNESCO World Heritage status and the excavations begun in the 18th century are still being carried out today. Our guide will take you through some of the ancient streets of Pompeii where you can see the baths, forums and villas built by the prosperous Roman settlers in the year 80 B.C. Marvel at the fabulously preserved frescoes which adorned the walls and floors of the villas. Even if your interests do not lie in history, this is an archaeological site that never fails to impress.

Day & Date: Friday, May 25th
Time: 09:00 – 13:00
Ticket: EUR 69,50 per person, incl. transfer, 22% VAT
Meeting Point: Hilton Sorrento Palace, Lobby
Minimum number of participants: 15

Operated by:
“God’s Path” Hiking Tour (half day)

The Path of the Gods, set in stunning natural surroundings, is a must for anyone who wants to dig deeply into the marvels of the Amalfi Coast. From the Path of the Gods it is possible to admire one of the most striking panoramas on Earth. Beside the path, you can find caves and terraces dropping from the cliffs to the sea and deep valleys. Immerse yourself in this amazing experience!

The tour includes approximately 2 ½ hours of walking with some stops along the way. Comfortable shoes are highly recommended.

Day & Date: Saturday, May 26th
Time: 09:00 – 13:00

Operated by:
As one of the leading associations in the world in the field of esthetic and clinical dentistry, the EAED has attracted as members some of the most experienced top clinicians as well as teachers whose didactic ability and efficacy are second to none. Starting in 2019, the EAED has decided to offer this wealth of knowledge and experience to those dental professionals interested in improving their skills and understanding in the various branches of esthetic dentistry by organizing “Excellence in Esthetics” Classes.

The EAED is honoured to announce the first “Excellence in Esthetics” Class as follows:

When: February 1 (Friday) 14:00 – February 2 (Saturday) 16:30
Where: Hotel Zürichberg, Zurich
Speaker: Dr. Ueli Grunder

The program of the master clinician classes will include hands-on exercises, videos and lectures. The idea of these classes is to bridge science with clinical experience. We are convinced that our great friend and EAED Past President Dr. Ueli Grunder will fulfill all the expectations of the participants who will join this special event.

PLEASE, JOIN US IN ZÜRICH ON FEBRUARY 1-2, 2019.
